FOR IMMEDIATE RELEASE

## **Shane Kim, Former Microsoft Corporate Vice President, Joins Innovega Board of Directors**

Bellevue, Wash., February 20, 2018 — [Innovega Inc.](#) welcomes Shane Kim to its Board of Directors. Mr. Kim enjoyed 20 years with Microsoft, including his last position as Corporate Vice President in its Xbox business. He joins Jeff Xiong, former CTO of Tencent, the world's largest social media company and the world's largest gaming company.

"Shane is an investor and good friend of Innovega," said Steve Willey, Innovega Co-founder, President and Chief Executive Officer. "He brings wonderful industry insight and expertise to our board."

Mr. Kim spent 15 years of his 20-year career at Microsoft with its Xbox business. He was the Corporate Vice President of Microsoft Game Studios from 2004-2008, overseeing a team of approximately 1,000 programmers, designers, artists and producers developing a broad range of Xbox 360 and Windows titles.

After retiring from Microsoft, Mr. Kim joined the board of GameStop in 2011, and serves on the board's audit and compensation committees. In addition, he joined the board of privately-held SCUF Gaming in 2017.

Mr. Kim holds a bachelor's degree in economics and international relations from Stanford University, where he also played intercollegiate volleyball. He received an MBA from Harvard Business School.

### **About Innovega**

Innovega is developing the world's first human-friendly, panoramic-field-of-view system for augmented reality and virtual reality. Its eMacula™ combination of stylish glasses and smart contact lenses provides the user with a discreet, high performance entertainment and information experience that goes beyond any available system.

The company was co-founded by prominent inventor and optometrist Jerome A. Legerton and Stephen Willey, former CEO of augmented reality pioneer MicroVision. Innovega has been funded by grants from the National Science Foundation, Defense Advanced Research Projects Agency, the National Institutes of Health National Eye Institute and from private investment.
